2008 Annual Campaign

Woven Together for Life

A simple phrase with such powerful meaning. To The Longaberger Company, it's a phrase that embodies the spirit in which we've come together through the annual Horizon of Hope® campaign.

Since 1995, The Longaberger Company has partnered with the American Cancer Society to fund research and education in the fight against breast cancer and its complications.

To date, we have raised nearly \$13 million and reached an estimated 19 million women with important and potentially life-saving information.

2008 Horizon of Hope products are available July 1 – August 31, 2008

Making a Difference

In 2008, we are continuing our efforts and donating \$2 from the purchase of every Horizon of Hope product directly to the American Cancer Society to make life better for women living with breast cancer. You may send donations year-round.
